

APRIL 2024

March Mix n' Mingle Porsche Parking

As April approaches, I would like to extend warm Easter wishes to all who celebrate. I also want to take this opportunity to express my heartfelt gratitude to all who attended the new member welcome and Jim Petruska appreciation dinner. Your presence made the event truly memorable, and I am delighted to share that we had an outstanding turnout of over 50 people! It was a fantastic evening filled with laughter, camaraderie, and heartfelt appreciation for Jim's contributions.

Following the success of the appreciation dinner, I'm pleased to inform you that the board is already planning another Mix and Mingle event. Stay tuned for more details as we prepare to gather once again for an evening of connection and camaraderie.

We recently implemented a change on our website by incorporating clubregistration.net for event registrations. However, we've encountered challenges with this platform, impacting many of our members. In response to this feedback, we've decided to return to utilizing the RSVP button directly on our website for event registrations, with one exception. Track events will continue to use clubregistration.net, as insurance forms are a necessary component of this registration process.

The next two upcoming events are special to me, I hope that you will all have a chance to participate in these unique opportunities!!

A car club is supposed to be about a shared passion, education, making friends, and most importantly, having *fun*. It's up to us—the members—to do our part to keep LTR-PCA at its best.

Remember . . . *it's not just the cars...it's the people!*
